The National Association of Goldsmith (N.A.G.) was established in 1894 to serve and support the Jewellery Industry of Great Britain and Ireland. The Association promotes high professional standards among its membership to inspire consumer confidence and to enhance the reputation of its members. There is a Code of Practice to which elected members must agree to adhere to and by which applicants for membership are judged.

See Alexandrite Tsarstone collectors guide, National Association of Goldsmith, <http://www.alexandrite.net/viewpage.html?id=WDD-003-00027> (Description may include but is not limited to: an abstract, a table of contents, a graphical representation, or a free-text account of the resource.) (as of).
