About Me

I would love to begin merchandising the stones now that I am somewhat retired. The stone that was stolen was set in an ancient Chinese ring with the stone being held in place by the claws of two dragons. It was in family possession since 1942 with only 2 other similar rings known to exist. It was purchased in Tsingtao, China in 1942.

See Alexandrite Tzarstone collectors guide, Clint Herr, <http://www.alexandrite.net/viewpage.html?id=WP-017-00208> (Interested since 1960 and owned one from 1963 until 2003 when it was stolen) (as of).
